

Fast Tomato Lesson Outline: Learning & Social Styles

<u>Student Activity</u>	<u>Discussion points/Notes</u>
<p>Go to www.fasttomato.com and LOG IN.</p>	<p><i>What does “Learning Style” mean?</i></p> <p><i>What does “Social Style” mean? (How you prefer to interact with other people)</i></p>
<p>Complete the MY STYLE questionnaire.</p>	<p><i>If someone prefers to learn from books, does this mean they cannot learn properly from practical activities?</i></p>
<p>Look at your results.</p> <p>The first 6 categories in the results show the Learning Style – the last 6 are the Social Style</p> <p>Click on the title of an area (e.g. “Presentation”) to find out more information.</p> <p>You can also read the “EXPLAIN MY RESULTS” report.</p>	<p><i>Which lessons best fit your results?</i></p> <p><i>What should you do if you find lessons don’t match your preferred learning style?</i></p> <p><i>Do you think people’s social and learning styles may change? Why?</i></p>
<p>EXTENSION ACTIVITY/ HOMEWORK</p> <p>Go to ABOUT ME</p> <p>Look at your list of favourite and best subjects (If you haven’t got a list already, choose some subjects now).</p> <p>Are these lessons taught in ways which match your preferred learning style? If not, how could your teacher change things to better suit your needs? What do you need to do or change yourself?</p>
